Mayang Anchalik College, Rajamayang, Morigaon, Assam-782411

A Yearly Newsletter Published by IQAC, Mayang Anchalik College, Estd: 1992

Vol.- 4

January-December, 2021

Principal's Desk

Mayang Anchalik College was established on August 13, 1992 to open up the doors of higher education in the economically and educationally backward Mayang region of Morigaon district of Assam.

The founding fathers of Mayang Anchalik College nurtured a dream for the upcoming generations in Assam in general and Mayang in particular; they considered the preservation of traditional humanitarian and ethical values, enhancement of intellectual and all-round development of society as their primary goals and objectives. They hoped to attain such a philanthropic end by means of higher education through the establishment of Mayang Anchalik College.

At present, the college is offering TDC courses in the Arts stream under the University of Gauhati. The University has introduced CBCS (Choice Based Credit System) from 2019 which will help the students in further developing their studies and move on to the national as well as international level. Keeping with the requirement of higher education, Mayang Anchalik College is gearing up for the vocational, entrepreneurship and self sustaining courses with better job orientation. Recently the college has introduced two B.Voc Courses namely 1) Food Processing and Quality Management 2) Tourism and Travel Management under Gauhati University. The college has also joined in Atal Ranking of Institutions on Innovation Achievement (ARIIA) and National Institutional Ranking Framework (NIRF) for the year 2021.

Principal

Editorial

Since inception in 1992, Mayang Anchalik College has shown tremendous developments in academic as well as cultural and infrastructural fields.

Just as the years before, the teachers and students alike have made strides to excel in the various fields of which a few glimpses have been presented in this Newsletters.

The valuable co-operation and help received from the faculty members in the preparation of this Newsletter is acknowledged.
